The image displays two wireframe designs for a 'Blood Donor Web' login page. Both designs feature a logo in the top-left corner consisting of a stylized black hand holding a red blood drop, with the text 'DONATION' above 'BLOOD'. The page title 'Blood Donor Web' is centered at the top. Standard window controls (minimize, maximize, close) are in the top-right corner.

Top Wireframe: The login form is centered. It includes a 'Username' input field, a 'Password' input field, a dark grey 'Log In' button, a dark grey 'Sign Up' button, and a blue 'Know About Us' button at the bottom.

Bottom Wireframe: The login form is enclosed in a light grey rectangular box. Above the box is a blue 'Log In' link. Inside the box are the 'Username' and 'Password' input fields and a dark grey 'Log In' button. Below the box are a dark grey 'Sign Up' button and a blue 'Know About Us' button.

The image shows a web browser window titled "Blood Donor Web". In the top left corner is a logo with a stylized black bird-like shape and a red drop, with the text "DONATION BLOOD" below it. The main heading is "Blood Donor Web". Below the heading is a "Sign Up" form. The form has four labels on the left: "Username", "Password", "Email", and "DOB". Each label is in a blue box. To the right of each label is a corresponding input field: "Username" (text box), "Password" (text box), "Email Address" (text box), and "Date of Birth" (dropdown menu with a downward arrow). Below the input fields are three buttons: "Sign Up" (dark grey), "Log In" (dark grey), and "Know About Us" (blue). The background of the browser window is orange.
